

# KITESURFKINGS Zanzibar 2019

**Mixed ability kitesurfing holiday 10th to 20th January 2019 (THESE ARE IN COUNTRY TRIP DATES)**

**Heads up! Kitesurfkings Zanzibar Discovery trip is on for 2019!!!** 2019 will be our 10th year in Zanzibar! Each year student feedback is of the best kitesurfing holiday imaginable and astonishment over the incredible value; each year we still push ourselves to improve on the last. Abilities are always mixed, as are ages, backgrounds and genders. It's one perfect kitesurf family adventure.

## Why so excited?

We're looking forward to guaranteed sunshine, trade winds, white sand, flat turquoise water, reef breaks, kiting straight off the beach in front of our accommodation and near by lagoons. We're also getting excited thinking about the downwinders, kite safaris, and progression sessions we'll be enjoying. Each trip is different but each trip's been incredible! We've a sweet new base and team looking after us in Paje and you have two Kitesurfkings instructors flying out from the UK to take care of your every need.

## Kiting for all

We've worked hard to create the dream kitesurfing holiday that's open to everyone regardless of their level of experience and come up with a trip that caters for complete beginners through to kitesurfing pros and even caters for none kilters. With the addition of another dedicated Kitesurfkings instructor you can choose between an instructor led progression session or instructor led downwinder depending on your mood.

## Something for everyone

Happy with basic accommodation or require a room upgrade to your own sea view, air-con, TV and chill out space? Evenings out with the group or private down time? First downwinders or in search of intrepid kitesurf adventures? Twin tipping, surfboard, hydrofoil? Culture and education or just hammock? Feedback tells us we've created the perfect trip that caters for everyone... but there's even more if you want it!

Benefit from our local knowledge, contacts, years of coaching, guiding and facilitating kitesurfing lessons and experiences for thousands of clients all over the world. You will receive expert advice, enjoy new enriching experiences and be part of a fun group of like minded individuals, whilst having the freedom to remain with the group or break away for some down time.

KITESURFKINGS

## More info

Inclusive accommodation consists of a bed, fan, mosquito net and toilet/shower facilities walking distance to the beach and kite centre. There will be people wishing to share rooms and we can help match you guys up. If you require a single room there will be a supplement.

There are various room options to ensure the perfect holiday. If you don't mind the walk and like the 'jungle' vibe then Jan's Airborne Kite Village is a beautiful spot set around 10mins walk down the beach and one plot back. Luxury tents with open en-suite bathrooms sit in lush gardens (first 3 pics).

For many it's too hot not to have air-conditioning so we've three great options. A few minutes walk down the beach are smart basic rooms with air-conditioning and a swimming pool next to the sea (2 pics under Airborne Kite Village).

The Suites, directly next to the kite centre, are spacious air-conditioned suites with private outside space and a lush swimming pool right on the spot (3 pics at bottom of page). I stayed there for the first time on the 2016 trip, again for 2017, then all but one of the group were able to stay there in 2018, I have already booked my room there for 2019. Certainly the top choice but next door there's another option with smart air-conditioned large rooms but without such a smart pool. Room availability for all options is extremely limited and is on a first come first served basis.

Breakfasts are included and it's up to you whether you take breakfast where you stay or a group breakfast next to the kite centre. Lunches and dinners are bought separately unless part of an excursion, this offers maximum flexibility to enjoy the best that Zanzibar has to offer. There are great dining options locally and we arrange meals at island hotspots. Food in Zanzibar is excellent and reasonably priced too, expect to pay between £6 and £10 per meal at restaurants, luxury sea food at an exclusive location could set you back a bit more but local options are also a lot less.

Every waking hour can be spent in jaw dropping surroundings, learning, participating and progressing but if you want to sneak off for some hammock time or a post kite massage it's all too easy... remember, this is your dream holiday so dream away.

There's way too much to share about this wonderful trip, hopefully the photographs will tell a story of their own. Please do get in contact to chat about the trip and to get your names down ASAP.
